I have an addiction to orgasms; giving them and especially getting them! But that's not all, I have a major butt fetish. It happened one night while I was masturbating. I was a little extra horny, so I stuck a finger up my butthole, just to see if I liked it and I did—I really did! I came way harder and way longer than usual. All it took was that one finger stroke and I was hooked on backdoor action! Pretty soon I was jerking off with three fingers up my tight backdoor. Now I can't cum unless my butt gets some treatment! I still haven't let a guy put his penis back there though, but I know I will! I guess I'm waiting to find a guy I really like, but until then, it's all mine!

Isabella is a butt slut! We knew she had a dirty secret!

South Bound!

My mom is a real Southern Belle. Since I didn't immediately go to college after graduation she sent me off to some finishing school for fine proper young ladies. I believe I am well mannered enough, but

she insisted on it. I've learned how to pour tea, how to write elegant thank you notes, and how to dress for success—which in our social circle means landing a wealthy fabulous husband.

But, I have different ideas. I was happy enough to study all that fashion and make-up, but tea parties with the genteel ladies of the garden society did not seem to be my idea of a good time. I'm the wild one, the black sheep of the lily-white flock if you will. I go against all my in-bred training, and try to do every wicked nasty thing that I can dream up. (And I do have some pretty wild dreams.)

I'm wild and naughty despite my fine upbringing. Or maybe because of it, who knows? All I know is that I want sex and I want it bad. I see no reason to deny who I am. If my proper family doesn't like it, they can go screw!

I really have a fondness for fetish type clothes. You know bustiers, vintage lingerie, and especially very high heels;

they all get me very horny. I love to dress up in these sexy garments, not for someone else to lust after but mostly just for myself. If I have a guy with me, I tell him to take out his cock and masturbate while I show off my body and my incredible outfit. There's always a nice gooey load somewhere on me after that!

If I'm alone I make do with my own hand and I fingerfuck myself until I've cum at least three times! Of course if I had someone with me, there'd be tons of other options. While you watch I may do lots of sexy things. Shall I stick a finger

up my tight pink asshole and give myself a good buttfucking? I've learned that I really like that a whole lot. And I've noticed that many guy friends like it too. In fact they like everything I do—talk about a win-win situation!

I'm having the time of my life and I never want to change. I'm acting out all my fantasies now before I get all old and stuff like when I turn 20 or something. I want to look back at my just legal days with fondness and not regret. It may not be the life my family has in mind for me, but I am my own person and for right now everything that I'm doing just feels so good. Let me share this secret part of my life with you. The good life isn't just about the country club, morning rounds of golf and afternoons by the pool. It's in my bedroom, or any other place I can catch a good fucking!

Cheerleader!

Ever since I made head cheerleader at the start of my senior year of high school my life has been turned upside down! That isn't all that's been turned upside down either. I love to dance and show off my hot young 18-year-old body to as many guys that want to see. I almost got kicked off the cheerleading squad for "conduct unbecoming a leader of

cheer" as the bitchy coach said. Like whatever that means.

Now I'm 18, a senior in high school and the head cheerleader, so nobody can tell me shit. I rule! Nothing compares to the feeling I get when I pull on my uniform and put on a performance. There's no rush like it, except for fucking! In fact, cheering has become almost better than sex. When I'm cheering I can be as flirty as the biggest slut in the world and still keep up my innocent façade. In real life I am a bit of a goody-goody. The kind of girl other girls make fun of and guys stay away from because they think I'm a big prude. How little do they know of the real me.

I do get my homework done every night; so I can be on time for cheerleading practice. But the world doesn't know me. I'm growing and maturing every day. And since I've discovered kinky fetishes, I just can't get enough of it!

For one thing, I realize I'm a true exhibitionist. No wonder I get off showing my spankies to the cheering crowds at the games. It all makes sense now. Thank goodness the crowd is in the bleachers, they are too far away to see the dark spot growing in my crotch. But it's there. It's wet and sticky and it happens every time I lift up my skirt.

The crowd is too far away to smell my pussy too. But I can. I can smell my own pussy right through my costume as I leap up and down doing my routines. When we're all done and go home, do you know what I do? I take my dirty panties to bed with me. Isn't that naughty?

And there in my pink walled room, I sniff my underwear. My other hand is buried deep inside my pussy as I finger fuck myself to a beautiful and wet orgasm. I wonder what my mom thinks about my stained sheets?

This secret of mine makes me super horny. At practice I watch the high school guys in their tight football pants and wonder if they want to catch a sniff of my dripping pussy hole? The other day I was fantasizing about sucking off the guys in the middle of practice. Maybe I'd line them up and suck them all off! Or maybe I'll bend over a piece of practice equipment and offer my snatch to them in turn. I wonder how many times those jocks could make me cum? I wonder what my panties would smell like after an all-day fuck session with the team?

I really miss being a cheerleader! Strutting my stuff in high school was such a great time! My boyfriend, the star quarterback, used to get excited watching me, especially when I shook my bubble butt around. He wanted to screw me in the ass big time, but I wouldn't let him until the night we won the state championship. It was awesome! I diddled my clit while he pumped my tight, little pucker and we both exploded at the same time. I wish they had an athletic program at my college, then I could fuck the entire team to victory!

TEEN

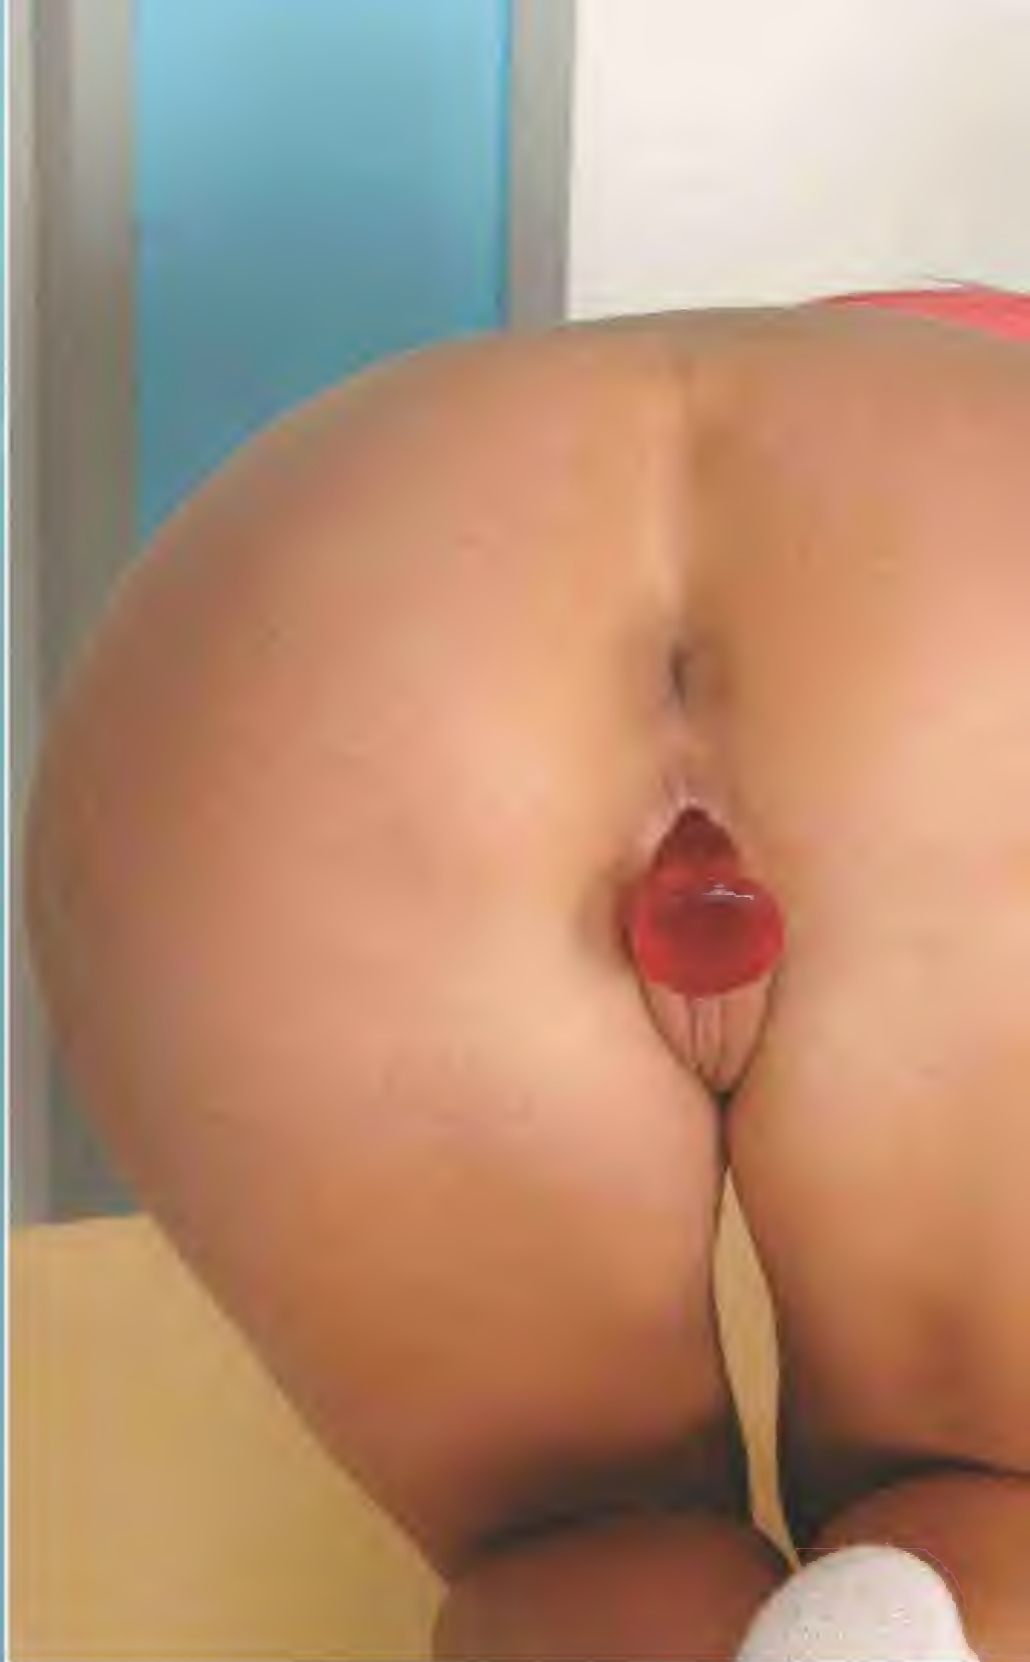

Here is something to cheer about!

Everything I want, I get! My daddy told me that I deserve the best and, shit, I believe him. Take these tits for example, are these not grade A prime? I can get away with whatever I want with them! At college, I always get really wasted and end up trashing the place I'm in, but it's okay with the guys though because I almost never keep my clothes on! And, yeah, someone's getting lucky. I guess that's why I'm always invited back. There was this one time, when I fucked a dude as a whole room full of guys stood around and watched. After the guy came on my tits, I told another guy to unzip so I could suck him off. I throatied his meat and he blew a load within a minute or two. Two loads for the price of one! I always get what I want!

Senior Scrapbook

by Jelena R.

The thought of a guy seeing my tight body then rushing home to jerk-off and fantasize about filling me up with his dick was so exciting!

With that thought racing around my head, pretty soon I got even more outrageous. I sat on the railing and pulled up my skirt. "Come and check me out" is what I was saying to the world at large. "I love my body and it makes me wet to show it off to you. So please take a long look at my private parts, won't you?"

So here I was posing for my friend's camera and getting riskier by the second. It was the ultimate challenge. How many ways could I show off my body in public? I lay down on the steps and pulled off my top. My naked titties were exposed to anyone who wanted to come and take a look. I spread my legs and pulled up my skirt, knowing that the world could see my sexy pussy slit through these sheer panties. I did some splits and leg lifts, showing off my toned gams in so many ways. And I always hoped that someone was enjoying the show.

I took my time, stripping slowly outdoors. Once my skirt and top were off, I started to tug at my panties. My friend's eyes kind of bulged out as he started shooting extra fast while I showed off my hairless pussy. I pulled my panties to one side to really give him a long look at my quim. I spread my lips wide apart with my fingers, then plunged one finger deep inside and wiggled it around. It felt sooooo fucking good to be so nasty in full view of the public. And I bet it felt just as good to anyone who dared to watch my performance.

Like I said, I went slowly. I took my time. I got completely naked eventually and really set in to fingering my

I DARE YOU!!

I dare you. Those are some of my favorite words. I'll do anything on a dare, especially if it's kinky and sexual. I'm a total exhibitionist. It's always been fun to tease the guys at high school, but I really blossomed right around my 18th birthday. That's when I blossomed into a full time cocktease. My boyfriend of four months sometimes gets annoyed at my behavior, but fuck him, I'm young and should be able to chase down my fantasies. As long as no one gets hurt, everything is fair game. Right?

I was always known to be a little extra flirty and a tiny bit naughty, but always up for a challenge. One week while my boyfriend and his family were away on vacation, I was hanging out with some of his guy friends. We were doing dumb stuff, daring each other to get crazy and pull pranks. We kept one-upping each other until the gauntlet was thrown down.

One of my boyfriend's friends dared me to get naked and nasty in the daytime by this beachside resort. I was more than happy to take on his challenge. In turn I dared him to shoot the whole thing on his camera. I dressed even more outrageously than he could have expected. For my oh-so-public outing, I put on a really tiny revealing skirt, I mean extremely short. And of course I pulled on some dangerously sexy see-through panties. I accessorized with seamed stockings and the tallest pair of stiletto heels I could find. I was dressed to kill and ready for a good time.

Armed with a small digital camera with a great zoom, we made our way to mostly busy spot in a public park by the water's edge. The metal railing along the water's edge made for a perfect prop. I found lots of excuses to bend all the way over, showing off my almost naked ass. I could feel my skirt creeping up my butt, and just knew those sheer undies were flashing brightly at some horny peeping tom. He must have thought it was Christmas and his birthday all rolled into one national holiday! It was kind of drafty by the water too. My skirt blew up a lot, showing off my stocking tops, my garters and of course those nylon see through panties. It was like Mother Nature was giving me a helping hand, a hand up the skirt that is. And I couldn't have been any happier. The breeze on my quivering pussy flesh was exhilarating, like a tiny man blowing right up my thighs and into my glory hole.

Here I was, letting anybody who happened to stroll by a tasty glimpse of my teenage twat. Barely hidden behind these swiftly dampening panties was the object of so many guys' desire. My pussy was in front of the world, just waiting for some lucky fellow to take in a long eyeful.

kitty. I was so wet and juicy just from exposing my tight body, having finger inside of me was almost too much stimulus. I was pawing my pussy with frantic abandon, the image of my boyfriend's cock driving in and out of my slit, spurring me on. My fingers were soaked as I power stroked my hard clit on the way to a huge orgasm. Now I brought myself to a knee buckling orgasm after orgasm, right out there for the world to see. Then I licked and sucked my fingers, savoring each drop of my honey nectar.

All at once, from behind, I felt someone's hands on my breasts, pinching my nipples with nimble coarse fingers. I was so lost in my fantasy and the orgasmic haze that I didn't open my eyes. "Fuck me," I whispered. "Please fuck me." The pressure on my nipples increased for a moment, then I felt two hands cupping my naked tits and slowly squeeze. Soon my breasts were being sucked on tenderly, expertly, and a hand traced a line down my tummy to my tingling twat. I could feel my mystery lover's breath on my neck, and smell the tangy aroma of his sweat and cologne.

Opening my eyes I found my guy friend caressing me up and

staring at me in open jawed amazement. Gathering our senses for the briefest of moments he pulled me behind some low bushes so we were out of the public's direct sight. No doubt somebody would see us, but at least we weren't going at it like barn animals in front of everybody.

Without exchanging any words he was on top of me, practically devouring me whole. His tongue leapt between my lips, and I sucked at it hungrily. My stiff nipples were aching with desire and when he wrapped his soft lips around one I moaned in ecstasy. There was no stopping this carnal crusade. I yanked down his pants. His thick hard cock flopped out and I grabbed it shamelessly and started to pump it with my fist. A single drop of cum seeped out followed by another. I rubbed his gooey cockhead against my hard clit urging him to stick his rigid rod into my sopping wet pussy.

Falling backwards onto the soft green grass, I landed on my back and every hard inch penetrated me in one purposeful thrust. I arched my back to take all of him into my pussy and locked my legs high around his shoulder blades.

Pumping away at my sweet hole like a man possessed, he fucked me harder and deeper than any man has ever down before. His cock sailed in and out me with both military precision and steady deep strokes of animal passion. As our bodies parted and fell together again and again the chorus of our controlled moans began to get louder. Wave upon wave of girly cum flowed from my pussy and drenched both of the ground and us as well.

We had to make a quick escape after that bout of public banging. I don't know what we were thinking, or if we were thinking at all. I had such a wonderful day. At home later that day, I frigged myself several more times reliving every second in my mind. Thank goodness we weren't caught. I would have had a hard time explaining that to my boyfriend.

Speaking of which, when my boyfriend got back from vacation I surprised him with a bunch of the pictures that his buddy took. Of course I told him I did it all by myself. Why bother hurting him? What he doesn't know won't hurt him.

This was the most exciting dare I have ever accepted. But I'm sure there are other things out there just waiting for me. The kinkier the better as always. Just don't tell my boyfriend I fucked his pal.

CLARA

23327

Clara has one tight young body that's made for lingerie! Good thing she loves her panties!

These panties are so fucking sexy I can't control myself when I wear them! They fit so nice and snug and tight around my pussy, and the thong part rubs my ass in just the right way. But, they get me into too much trouble! Last time I wore these, I had my first one night stand. The lucky guy must have thought he had said all the right words, but I knew the real reason. I was out dancing and my pussy was buzzing and wet from all the right friction! This guy put his hands on my hips from behind and I almost came! My whole body shuddered as my nipples got hard and a little wet spot formed on my panties. I tongue kissed him and took him back to my place for some sloppy hard fucking. You guessed it, I kept my panties on the whole time. I'm such a little whore!

TOUCH

There is nothing nicer than taking a nature hike on a hot sunny day! The sun kisses my warm skin, making every inch of my body feel alive and tingly and I get so turned on that my pussy just screams for some loving. I always come up to this one spot in the mountains that's nudist friendly to reconnect with nature. Basically, I get totally naked and finger my pretty pussy until my cummy runs over with my girl juices. Last time I was here, I came so loudly a guy came running and saw me putting my clothes back on. I was still really horny so I fucked him—he popped my cherry right then and there! Got poison ivy, but it was totally worth it!

Working out and working up a sweat is my favorite thing to do. Don't tell, but I also love getting fucked! See, I get so horny working out at the gym, 'cause I stretch so much and my skin tight yoga pants creep up and trace the lips of my peach. My tasty sticky pussy gets all wet as my clit rubs the right way in spin class. Having a slow building orgasm is typical in my workout routine. My pussy drools as I spread my legs wide open during my cool down stretches. But still, all that stretching is going to waste. Being so damned busy between school, working out and my part time job, finding time to date is hard. I need to get a real guy to just fuck me deep and hard! If you guys only knew how easy it would be to eat this sweet fruit!

A full-page photograph of a woman, Kelly Kline, lying on her back on a bed with a blue and white checkered sheet. She is nude, with her legs raised and bent at the knees, and her hands are placed on her inner thighs. She has a suggestive expression on her face. The background shows a white metal bed frame and blue curtains.

I'll take a hard

Help me! I'm so horny all the time, but sex still kind of scares me. Not really, it's catching some skeezy disease from a dirty boy or even worse getting knocked up that scares me. I don't want any of that stuff. That's why I get my pussy off with my fingers. The guy I'm seeing now wants to fuck me, but there's no way it's going to happen! I might let him stick a finger or two of his in, if he washes his hands, and if we stay together for a long time, I might let him lick it. Sure, I want a guy to really pound me, but I hear that condoms sometimes break and I worked too hard on my body to give it up so soon. Instead, I'll keep flying to the moon solo, riding my fingers!

A photograph of a woman with long brown hair and blue eye makeup lying on her back on a white surface. She is wearing a pink strapless top with black lace detailing. Two hands are placed on her buttocks; one hand is on the left, and the other is on the right, with fingers spread. The woman has a slight smile and is looking upwards. The background is a plain, light-colored wall.

I love to show off my hot body! And when I show off, I get really turned on! Like, I rarely wear panties anymore. I just love the way my pants feel all rough and stuff against my clit. I was just walking and I saw this hot guy and my mind started to wander. When I looked down a little spot of girl juice was starting to form in my crotch. I ran back to my car, eased down my jeans a bit and fingered myself in the front seat. As I was zip-ping up I saw a security guard just staring at me with his mouth open! I smiled at him, licked my fingers and drove away! Hee-hee!

Bet you're as happy as I am that...

Lucie

My ex-boyfriend always called me a tease 'cause I wouldn't let him take my virginity. I guess I was, so I wasn't that upset, but I pretended to be all pissed and kicked him to the curb. With revenge in mind, I went out to where his friend's band was playing. Immediately after his set I slinked up to him, put my tongue in his ear and told him I wanted to fuck. You could almost hear his cock getting instantly hard, and he asked if I was suddenly single. I gripped his cock and purred into his ear, "Call it revenge," and we were screwing in his car in seconds! I let him take all of my virgin holes that night, even my butt! Boy, will my ex be pissed when he reads this! Who's a cocktease now, dickweed?!

Be careful around Lucie!
